

# **Mission Statement**

The mission of the Soil and Water Conservation Program is to administer the policies and general programs developed by the Soil and Water Districts Commission for the saving of Missouri soil and water through the soil and water conservation districts in their work with landowners.

Please accept our invitation to let the Soil and Water Conservation Program help you to understand about soil erosion control. This [home page](#) will help you to find out more about the services available to help you protect the environment. Please let us know if you have any questions or if you have any ideas about how we can better work together.
